***Church Plant* Prayer Notes – December 2011**

For Our Pivotal Prayer Partners!

The Lord has given me everything I had and taken it away. Praise the name of the Lord! (Job 1:21)

- 1 For **God blessing Gateway Community Christian Church**, Bridger Valley, WY. They had 95 people at church last month, a new attendance record!
- 2 For **God blessing the fellowship time** after services at GCCC with rich discussions about life and the morning message!
- 3 For **God supplying** NPEA through Microsoft with 4 Microsoft Office Professional 2010 Software! (We didn't have room for this blessing on the other prayer notes)!

Listen to the prayers of those who delight in honoring you. (Nehemiah 1:11)

1 That **God would provide** for the Bismarck/Mandan church Plant:

- 2 more staff,
- 2 more launch team families,
- 1/2 Living Link,
- 9 mission teams to come and pray (Contact us today.).

Pray for Brandon & Deborah as they consider the Creative Arts position at Bismarck/Mandan.

2 That **God would make GCCC salt and light** to people in Bridger Valley needing a relationship with Christ.

3 That **God would grow** White Water through their transition to self-supporting over the next couple of months.

4 That **God would give GCCC's** leadership discernment and wisdom to let God be God, and stamina for all that needs to be done.
