

Seedlings Capital Campaign

January 2012

By Derek Olsen
Lead Church Planter,
Bismarck/Mandan, ND

It is officially 2012 and it is officially the year that NPEA will plant an Independent Christian Church in Bismarck, ND. Just a few days ago I sat with 14 men and women both ministers and para-church leaders praying for revival in and around Bismarck. They are excited about a new church coming; a new church with new vision for a new generation. We are so excited to share the church's new name with you. It is....not yet decided. We promise this will be announced January 15th through our prayer email and on our Facebook Pages. This is a very important decision and one we are taking with great prayer and care.

We have had a little setback with our Worship Arts candidate. After a long week of prayer and fasting, they decided that as much as they are excited about the church plant, but believe they are not called to Bismarck. We pray that God will lead them to a place they are called. We continue in prayer with the search and a couple praying currently to begin the process with us.

We are in a great need for churches and groups to come to Bismarck and pray. WE NEED YOUR TO HELP US BUILD THE FOUNDATION FOR THIS CHURCH PLANT. What are you waiting for? Warm weather? It's North Dakota. There are only 6 days of summer and they are not in a row. Select a date. Let me know. Come and pray. Get involved with something great and new. Maybe your church or your family should start a new New Year's resolution that you go and visit a mission you support. Whether it's Bismarck or a local mission, get involved more than just financially. Go, observe, serve, pray, live, do it again.

It is time to get your hands dirty. It's time to get involved with people you have been avoiding. It's time to seek your lost family, your lost neighbors out. It's time to quit the small talk and begin being real and authentic with your co-workers. Let's stop talking about the Great Commission and actually start living out the Great Commission. GO! Maybe GOING will lead you to Bismarck to join us or to pray with us.

NPEA: Capital Campaign

Prayer Notes: January 2012

5 Minutes a Day/5 Days a Week

We will praise the Lord at all times! (Psalm 34:1)

- 1 Pray that God would either lead you to Bismarck to pray for a weekend or to a local mission to begin a new resolution.
- 2 Passing out hot cocoa to over 120 people and talking to twice that many of Black Friday.
- 3 Local church and unchurched people to join us as we build a reproducing church movement here in Bismarck.
- 4 We had over 40 people at our Christmas open house. IT WAS A BLAST!

We love the Lord because He hears and answers our prayers. (Psalm 116:1)

- 1 Knowing God has great plans for Brandon and Deborah, even though it won't be here in Bismarck!
- 2 We need good leads on a possible p/t Children's Minister. We know that God has one in mind, we pray for Him to reveal this person to us.
- 3 Amanda's father has been working in the wood shop again. He continues to defy doctors and trust God more every day.
- 4 The last 2 church names are being prayed over. Help us pray as we seek which one will be best in and for the community.
